

Advance your practice with the Level 3 Certificate in Individual Placement Support (IPS)

NCFE accredited qualification developed specifically for IPS Employment Specialists

Gain a nationally recognised Level 3 Certificate in Individual Placement and Support (IPS) and build the specialist knowledge, practical skills and confidence to enhance your practice.

Develop the specialist knowledge, practical skills and confidence to strengthen your IPS practice. Across six units, you'll explore the full IPS journey, from vocational profiling to employer engagement and in-work support.

Flexible learning: online modules, live virtual sessions and interactive activities, assessed through written tasks and professional discussion.

What you'll gain:

- The world-first, NCFE-accredited qualification designed specifically for IPS practice.
- Insights and learning from experienced IPS practitioners and subject matter experts.
- Enhanced skills in vocational profiling, employer engagement and in-work support.
- A recognised route for professional development and career progression.
- Time-limited, fully funded places.

Who can apply?

IPS Employment Specialists working in:

- Severe Mental Illness (SMI) services.
- Drug and Alcohol (D&A) services.
