Important definitions in this document:

“Controller”: This is the IPS Service Provider and means that they are the Controller of your client data and are responsible for ensuring they obtain your consent and for storing your data safely and securely.

“Pseudonymised” data means: Your name is never captured, and the data cannot immediately be identified as belonging to you. Only the Client ID will be uploaded and stored alongside relevant information relating to your engagement with this IPS Service Provider. This makes it impossible for the IPSG Reporting Tool to identify you as an individual and identifiable person with the data held about you.

“Aggregated data”: this means that the data that can be viewed in the IPSG Reporting Tool is data that is gathered together. It is not possible for the IPS Service Provider or any other user to look at individual pieces of data. It is therefore not possible to locate specific clients via their client ID in the information displayed in the tool. Only added together totals for types of data are viewed in the IPSG Reporting Tool.

This IPS Service Provider and IPS Grow are committed to keeping your data safe and secure and ensuring that the information obtained from you is managed to the requirements as set out in the General Data Protection Regulation (GDPR) and the Data Protection Act 2018.

This Client Consent form sets out how your information is captured and analysed and your individual rights. We encourage you to read this document and clarify any concerns you may have with your Employment Specialist.

Please also note that how data is collected and processed is under regular review. Therefore, changes to this document may occur at any time, however this will be communicated to you if necessary.

What happens with your Data and the IPSG Reporting Tool?

The information your IPS Service Provider collects about you is uploaded in **pseudonymised** form to the IPSG Reporting Tool. This IPS Service Provider is then able to view **aggregated data** about all the clients that they manage. They do this to ensure that outcomes are being tracked across the IPS Service Provider, the region and nationally.

The relevant management and funding organisations and authorised individuals for this IPS Service Provider (eg: The commissioning organisation, the Office for Health and Improvement Disparities (IPS-AD) are also able to see **aggregated data** only for the IPS Service Providers under their control.

Your data within the IPSG Reporting Tool with **always be pseudonymised** and your identifiable personal information will never be entered into the IPSG Reporting Tool. Your data will NOT be used or shared for any commercial or marketing purposes. At all times your information will be kept securely, and nobody will have access to it that shouldn't.
