Responsible To	Work and Wellbeing Team Leader
Responsible For	n/a
Cover For	Employment Specialist
Cover By	Employment Specialist
Liaising With	NHS staff and teams, Work and Wellbeing customers, Health and Wellbeing Coaches, employers, partners, statutory services and host organisations.

Main Purpose

The Employment Specialist will work within NHS secondary mental health teams and other various locations to help support customers with complex needs move into employment. Following an IPS employment model, that follows a 'Place then Train' approach Employment Specialists will support customers with complex needs to gain employment.

The Employment Specialist will undertake rapid job search with customers (within first 30 days of being on the programme), they will develop links with the JC+, employers and learning providers to source individualised employment opportunities for customers. They will coach customers in important work skills and provide up to 13 weeks of in-work and in-learning support to sustain outcomes.

The Coach will use strengths-based approaches, such as motivational interviewing, to help customers identify and achieve their employment aspirations.

MAIN TASKS AND RESPONSIBILITIES

- To effectively maintain a caseload of customers ensuring their attendance at regular one to one support sessions. Offer appropriate information, advice and guidance to help overcome their barriers to employment, including signposting to relevant support agencies and partners.
- Devise and monitor the customer's job search plan and set SMART targets at each review stage.
- Support the customer when in employment for up to 13 weeks and track their progress regularly.

- Ensure that detailed participant records are maintained using the database and that hard copy documentation is held.
- Deliver employability coaching and other relevant training as required.
- Achieve start profile targets as well as job outcome targets to meet the overall contract target for employment. Ensure that job outcome evidence requirements are met to support any financial/performance claims made by Work and Wellbeing.
- To account manage the long term relationships with employers and to create effective relationships with the local business community, public, community and voluntary sector organisations in order to secure job placements and employment opportunities.
- Provide support to employers who offer employment opportunities to our customers, ensuring that they are able to support employees with complex needs.
- To motivate customers, to ensure continual engagement and to ensure that customers are equipped with the necessary skills and knowledge to move into sustainable employment.
- Attend team meetings within host organisations and share best practice and learning across host organisations and partners.
- To complete paperwork and to ensure that customers files are maintained in line with contractual and quality compliance requirements.
- To conduct health and safety risk assessments in employment provider organisations and to ensure that providers are aware of their responsibilities to the customer in terms of health and safety and equal opportunities.
- To update information on the Work and Wellbeing management information system as required by contractual and quality standards.
- To adopt a coaching/motivational interviewing and an assets-based approach when supporting customers
- To maintain up-to-date knowledge of the local labour market and sector developments.
